

To: **whom it may concern**

Keshet A.T Ltd

I hereby recommend and support the products of Keshet A.T Ltd. As a supplier and a customer.

As Training Center and as a Fire & Emergency Instructor it happens that you get some light burns and lacerations and I can testify that the Keshet A.T products works like a "Miracle".

The Fire Safety & Emergency Center Ltd mostly specialized with the training (Theoretical and Practical) of Emergency Rescue Teams, Fire, Hazmat, Urban Search & Rescue, First Aid Training.

Therefore, Our Company support Keshet A.T products, as we believe in this product to be a part of the First Aid Kit of every Company, Factory, Organization and Military to serve every Safety Officers and Medical Teams in Israel and around the world.
